Protruding from the bag was a silver aluminum can resembling an alcoholic beer container.

Officer Trujillo observed Everette recover the black plastic bag with the silver aluminum can protruding from it with his right hand, place it to his mouth / lips, tilt his head back and take a long drink, appearing to finish its contents. Everette then discarded the black plastic bag with the aluminum can protruding from it behind the four foot cinder block wall that he was standing next to.

My partner and I decided to make contact with Everette to verify if he was drinking an alcoholic beverage. Officer Trujillo recovered the black plastic bag with the silver aluminum can protruding from it, from the ground, behind the
